SOMETHING TO THINK ON.

If we are to have "a tair field and no favor" in the coming Presidential fight, with the customary addendum," and may the best man win," it is necessary that both political parties should take a little wholesome advice.

There are some very excellent citizens, not exactly Democrats, who are anxious for the election of Mr. CLEVELAND as next President. Their motives are praiseworthy and patriotic. They believe him to be a thoroughly trustworthy man, a safe good. and conservative statesman, who faithfully of the venerable statesman that he can interests of the nation. They know that if Mr. CLEVELAND wins at all it must be by the votes of his own party. But they form of the street occasion and the street of the own party. But they need to street occasion of the street occasion occasion. at whom they are constantly railing.
